Tarrants Farm House, Wellow

15.3. 2013

Dear Sir, Dear Pascal

AER Vice Presidency – Institutions

This letter is to submit my name for Vice Presidency- Institutions of the AER.

I have served as Vice President and more recently President of the Standing Committee on Institutions for the last 5 years.

In Hampshire County Council a region of 1.5million people I am a member of the governing Executive, having served as Vice President of the County with responsibility for Education and will be a candidate for President of the County following our elections in May 2013.

Prior to serving on the County Council I was for 10 years a Member of the European Parliament sitting in the EPP/ED Group.

I believe I have the experience at European and Regional level to make a positive contribution to the work of the AER.

Yours sincerely

Roy Perry BA

**Motivation for Vice Presidency AER
ROY PERRY- (British Conservative/ EPP)**

- 1 I am an experienced politician.
First elected to my local district council in 1970-
Currently a member of the ruling Executive of Hampshire County Council-
I head Childrens Services. Responsible for 500 schools- 250,000 pupils with a budget of €1billion**
- 2 By training and profession I am an academic politician having lectured in Public Administration at Southampton College of Technology now Solent University, Southampton**
- 3 For 10 years 1994-2004 I was a member of the European Parliament representing Hampshire and the Isle of Wight-
 - a. Vice President of Petitions Committee**
 - b. Member of JPC Europe- Hungary and Slovakia**
 - c. Member of Budgets Committee**
 - d. EPP candidate for European Ombudsman 2004**
 - e. Co-Chairman Parliamentary Association for Euro-Arab Co-operation.****
- 4 I am a committed European and believe it is important UK remains a member of EU.**
- 5 As Vice President of AER I would seek to
Improve our links with the European Parliament and other EU institutions
Seek to encourage more British regions to rejoin. Hampshire is the last British member of AER
Strongly support AER and EU enlargement**
